Cabarrus County Chapter

The Cabarrus County Chapter of ASNC May 2007 Support Group and Autism Awareness Meeting

Thursday, May 10, 2007 6:30pm - 8:30pm
Meeting Place - Epworth United Methodist Church - Fellowship Hall
1030 Burrage Rd. NE
Concord, NC 28025

**We are pleased and honored to welcome
Guest Speaker Whit Moose, Jr - Pharmacist, Moose Pharmacy**

Whit Moose, Jr is a registered pharmacist with Moose Pharmacy in Mt. Pleasant, NC. Whit is a graduate of the University of North Carolina School of Pharmacy. Since receiving his pharmacy degree, Whit has done extensive training in natural medicine and complementary and alternative medicine (CAM). Whit has studied and worked with many experts in the field of natural medicine and specifically with Autism and Autism related disorders.

Whit recently completed a certification program on Autism and Attention Deficit Disorder and has worked first hand with Great Plains Labs (yeast and yeast byproduct testing), NeuroScience Labs (neurotransmitter and hormone testing), and Nordic Naturals (Fish Oil manufacturer). Whit has also studied with Dr. Sidney Baker, MD, one of the pioneers in natural medicine and Autism as well as Dr. Jack Hinze, ND, one of Whit's mentors.

Whit's background and knowledge of pharmacy and traditional medicine combined with his expertise in natural products (nutraceuticals) give him a prospective of disease states that few healthcare professionals process.

We will also be presenting and voting on our 2007-2008 Cabarrus County ASNC Board Nominations!

Our chapter is also very pleased to welcome The Traveling Family and Teacher Resource Center Van from Child Care Resources, Inc. Jennifer Perella, Resource Specialist, will have the resource van available during our meeting hours to our members and guests. Thank you Child Care Resources for the opportunity to utilize this excellent resource!

Childcare will be provided on a limited pre-reserved basis - for child care reservations please contact our Meeting Coordinator - Maria Anthony, mariaanthony@asnc-ccc.org.

**We welcome individuals, family members, professionals, caregivers, and all who are affected by autism.
Today there is no cure for autism.
But Together we *can* make a difference.**
